Sportsman Modified Winner
Glen Ridge Motorsports Park

Hello Mr. Cody,

I wanted to reach out and extend my congratulations on your recent CDRA Sportsman Modified victory at Glen Ridge Motorsports Park on Sunday May 19, 2024.

It was a big night for all involved, being both a DIRTcar Sportsman Series event and the first ever CDRA points paying race. Your name will go into the history books as the first ever feature winner for the Capital District Racing Association, which visits only tracks in the Capitaland with like-minded rules.

Your win serves as a testament to your hard work, dedication, and skill at racing an open wheel Sportsman Modified. You've developed into a solid racer and your determination certainly paid off with a visit to Finish Line Designs victory lane.

Of course, it wasn't easy. You had to overcome adversity via cautions, restarts, and fellow competitors to get the job done. Yet you didn't waver and walked away victorious. Be proud of your accomplishment, as I know others are proud of you.

Our next points paying race is at another track you're familiar with, Albany-Saratoga Speedway on Tuesday June 25th. I hope you'll join us, as you will enter the night point leader for CDRA.

Once again, congratulations on your achievement. I hope this is a steppingstone to a successful racing journey this season and beyond. Your participation and support of our first race was appreciated.

If you have any questions, don't hesitate to reach out. Best of luck in your future racing endeavors.

Your friend in racing,
Rob Hazer
